Testimonials

"I wanted to take a minute to thank you for being so great and for helping our family through a tough time. Both Mary and Maria were wonderful. I am amazed how quickly and genuinely they became a part of our lives. Their caring and concern was real and I will consider them friends always"

-R. Hanson, Hawthorne

I just wanted to let you know that my mom mentioned this weekend that your service is just wonderful. She is very happy with Debbie and Alicia. They are great! I cannot say enough how outstanding your service is. And, both Debbie and Alicia are absolutely wonderful.

-D. Bemis, Rancho Palos Verdes

I just want to say I struggled six months with another caregiver in 2008, but my estate trustee found me 24 Hour Home Care as my needs were not being met at that agency. I am pleased with 24 Hour Home Care as they have made every effort to find the most comfortable caregivers possible for me to be driven to places I otherwise could not access, and have greatly improved my quality of life.

-S. Jong, Los Angeles

David, Ryan, Andrew and Tyner were friendly, professional, and willing to bend over backward to accommodate my father's needs. Your service is absolutely outstanding and I would recommend it highly to anyone who has a need for a reputable caregiver.
